AUSTRALIA'S FAVOURITE TRAILER

These aluminium bodied luggage trailers have an incredible high gloss high quality finish as good as any motor car and the polished checker plate around the base is a real feature that adds to the outstanding finish of this trailer. The strong and durable trailer is standard with a composite aluminium body, galvanised steel chassis and frame, new wheels and tyres and LED lights. The lift door is sealed and is fitted with heavy duty stainless steel hinges, gas struts and flush mount locks. Side doors are an option that can be added to this trailer range and these trailers are available in a variety of standard colours including white, red, black, blue, green and silver.
